RE: Standard Specifications for Water Systems
BERKELEY COUNTY WSA

Dear MR. HIVELY:

This office has reviewed the water system specifications submitted to this office on 11/25/2002 for consideration of becoming Standard Specifications. Based on our review this letter may serve as your approval. The specifications have been approved for the following:

1. DISTRIBUTION LINES.

Please be advised that these Standard Specifications are only approved for those items specifically listed above.

For future submittals of projects, please indicate on the application for permit to construct that your specifications have been approved as Standard Specifications and that no additional copies will be necessary.

If you have any questions, please call me at 898-4029.

Sincerely,

ERIC SMITH
